| Please provide a virtual representation of the door hanger? | Doorhangers will be on the website at: www.publicworks.houstontx.gov/engage |
| What is width of the new sidewalks on Park Manor? | The sidewalks' width is 5ft, tapered down to 4ft to match the existing sidewalks. |
| Are there any concerns for open businesses? | The driveways will be accessible, and if they become impacted, the contractor will notify the residents in advance. Commercial properties typically have two driveways, so the standard procedure is to close one side of the driveway, leaving the other driveway access to the businesses. |
