

QUESTIONS AND ANSWERS

Q: Will there be any improvements to the curbs or storm drains in the neighborhood?

A: No, work will be done behind the curb. There is no impact to the drainage system.

Q: Will we get mail? Will you replace the mailbox?

A: The contractor does not plan to remove the mailboxes unless it is in a pit location. If it is in the project location then it will be replaced.

Q: Phase one ends at my house (Valley Manor Drive). Should I expect a lot of activity there for a few weeks?

A: Yes, because there will be pits at that location. There will be activity near the driveways but the residents will have access to their driveway.

Q: How much personal property will be torn up?

A: Majority of the residents may not see impact but there will be impact at the location with pits.

Q: What is the pits?

A: Temporary excavation, access points to install trenchless pipes.

Q: Do you have an actual date for start?

A: August 3rd
