Dear Mr. Charlie Pfeiffer:

The City of Houston is in receipt of your letter dated October 23, 2020 regarding Pfeiffer and Son, LTD's concern about the required proposal documents and extending the response time for the Houston Roadway Flood Warning System's Draft RFP.

Please be advised, the City of Houston is finalizing the RFP and required documents. At this time the posting and submittal date to the final RFP has not been confirmed. I encourage you to watch for the updates on the website at <https://www.publicworks.houstontx.gov/flood-warning-system>. The website is updated weekly.

If you have any questions or comments, please feel free to contact me at (713)881.3079.

Cordially,

Re: 2017 TIGER Grant, Houston Roadway Flood Warning System (HRFWS), RFP No. 8142020

Dear Mr. Wright and Selection Committee Members:

Our team is very interested in submitting our proposal for this project. The site visits and the one-on-one with your team were illuminating and have left us excited for the opportunity to develop a truly innovative roadway flood warning system that will save lives. We feel that Pfeiffer & Son, Ltd., in partnership with Kimley-Horn and Associates, Inc., is the right team to assist Houston, TxDOT, and Harris County in this endeavor.

However, as we have not yet received several required proposal documents and the City has not yet been able to answer our request for clarification questions, we are unable to submit a comprehensive and reasonable response to the RFP at this time.

Should the City elect to extend the response time and provide the required information, we would be interested in providing a submission.

Thank you for the opportunity to be one of the Short-Listed firms.
