

GRANT FUNDING FOR EDUCATORS FOR **WATER CONSERVATION**

BACKGROUND

Houston needs your help to teach students how to save water. Houston Water is offering a \$2,500 grant to implement a water conservation project in your classroom or school. The grant will provide \$2,000 for the water conservation project and \$500 to support your professional development.

GOAL

Engage students in interactive & critical thinking about water and creative ways to conserve this precious resource.

RULES

1. Open to all HISD 6th - 8th grade teachers
2. Must submit application by 3PM, Aug. 31
3. Email entries to: waterworks@houstontx.gov
4. Questions? Call 832.395.3791

APPLICATION

publicworks.houstontx.gov/waterworks

DEADLINE
AUGUST 31, 2020
